

CANADIAN PARATROOPERS READY FOR THE NEXT HOP

The most thrilling moment of a paratrooper's training comes with his first jump. At left are a few Canadians who took a full parachutists' course with the U.S. Army at Fort Benning, Ga., await the jump master's command to take off on their first jump. Below, like a rugby squad waiting for the kick-off, is another group of the paratroopers in training at Fort Benning. They have completed their course now and form the nucleus of the Canadian Army paratroop force at Camp Shilo, Manitoba. Men for the parachute corps are hand-picked for intelligence, stamina, and alertness, because the job they are preparing for is one of daring and coolness.

OPEN VICTORY LOAN DRIVE ON MONDAY

TWO FINED WHEN TRUCK DRIVER FOUND WITHOUT LICENSE

I. S. Parberry of Huntingdon was fined \$15 and costs in Abbotsford police court on Wednesday on a charge preferred by B.C. Police of employing an unlicensed chauffeur on a truck. John Bassani, charged with acting as a chauffeur without the necessary license was fined \$5 and costs. Arthur Beatty of Vancouver was fined \$2.50 and costs when he appeared before Magistrate Geo. F. Pratt on a charge of failing to comply with a check-up slip requiring him to have defective lights on a motor vehicle remedied. Fines were paid in all instances.

\$20 FINE SEQUEL TO MATSQUI ACCIDENT

Paul LeLoup of Vancouver pleaded not guilty in Matsqui police court on Thursday to a charge of dangerous driving but on evidence brought out by B.C. Police was found guilty and fined \$20 and costs with the alternative of 20 days in jail. The fine was paid. Accused was represented by counsel from Vancouver. The charge results from an accident which occurred at Gibbard's Corner, Riverside road, Matsqui, on Sept. 14. A Haney woman was injured and taken to Mission hospital for treatment when a car driven by her husband and that driven by LeLoup collided.

TRADE BOARD MEETING

Regular meeting of the Abbotsford & District Board of Trade will be held in the board rooms of the Canadian Legion, Abbotsford, on Monday, Oct. 19, at 8 p.m.

SCHOOL ZONE CASE

C. Hodgson of Chilliwack was fined \$5 and costs by G. H. Loach, J.P., in Matsqui police court Thursday on a charge by B.C. Police of exceeding the speed limit when driving through Aberdeen school zone.

Objective of M-S-A Area in Third Campaign is Investment of \$95,000; Area Has Twice Exceeded Its Quota

OTHER TWO DISTRICTS OF UNIT 19 HAVE LARGER MARKS; CHURCH HELPING TO OBSERVE VICTORY LOAN SUNDAY; CANVASSERS AND PUBLIC READY

Ninety-five thousand dollars is again the objective allocated to Matsqui-Sumas-Abbotsford Area in the Third Victory Loan which opens Monday, Oct. 19. While this is the same quota as in the last loan, it is approximately \$15,000 under the amounts invested by M-S-A citizens in each of the previous campaigns. Objective of Unit 19, of which the M-S-A Area is subunit "C", is \$475,000 including \$100,000 expected to be invested by "special names." Unit 19 has always exceeded its objective even when boosted last time.

Other Districts More

British Columbia-Yukon objective is \$75,000,000 of which about one-fifth is expected to come from B.C.-Yukon's share of national subscriptions. The province is divided into nine divisions, New Westminster-Fraser Valley being Division 4, and having an objective of \$3,245,000. Maple Ridge-Pitt Meadows Area of this unit has a quota of \$145,000 plus \$100,000 from special names. It has the highest of the three Unit 19 sub-quotas as it enjoys more and larger industries. Mission-Dewdney-Nicomen quota is again \$135,000 and, like the M-S-A Area with its \$95,000 quota, it has no special names on which to draw for big investments.

Directing Effort

Salesmen for this loan and their districts are: Abbotsford, Harvey Henderson, team captain; Northeast Matsqui, N. R. Crist; Northwest Matsqui, Harry Taylor; Mt. Lehman, Southwest Matsqui, R. J. Laxton; East Sumas district, H. N. Ord and J. D. Leavitt; West Sumas and Huntingdon, C. Baynes and Win. Fadden. Sales Committee includes M. M. Shore and E. T. Weir. Executive committee is headed by Reeve James Simpson, Reeve Alex Houghen and M. M. Shore. Rev. H. E. Roberson is chairman of Public Relations Committee for the M-S-A subunit with John Teir as assistant chairman and

Mrs. J. W. Winson Vice-President of South Fraser W.I.

ELECTION CONCLUDES SUCCESSFUL TWO-DAY WOMEN'S CONFERENCE

Mrs. J. W. Winson of Huntingdon was elected vice-president of the South Fraser District Women's Institute when a two-day conference concluded in the Orange hall, Abbotsford, Wednesday afternoon. Mrs. J. Shaw of White Rock was elected president to succeed Mrs. Wm. Dusterhoeft of Sardis who retired after many years of active service with the board. Mrs. George Calder of Newton was elected a member of the board, and Mrs. A. Rose of Langley and Mrs. Brown of East Chilliwack were elected directors.

representative citizens co-operating on subcommittees. Reeve W. J. Park of Pitt Meadows is again Unit 19 Chairman with Rev. A. J. Loughton of Abbotsford, vice-chairman.

Unit headquarters is in Mission while M-S-A headquarters is again at The News office in Abbotsford where calls for information and requests for salesmen to call will be looked after.

"We Gave Them The Devil," Says Bradner Soldier

WRITES HOME THAT DIEPPE RAID WAS 'DARNED GOOD SHOW'

Mr. and Mrs. A. Bell of Bradner received an airgraph recently from their son, Ernie Bell, telling that he took part in the mostly-Canadian raid on Dieppe. He wrote in part: "Dear Mother, I suppose you know by this time that we were mixed up in the raid the other day. I came through in good shape, not even getting a scratch. It was a darned good show, and we sure gave them the devil while it lasted."

Jack LaMont, formerly of the J. S. Daly staff in Abbotsford, has received his third stripe and is now an instructor with an armored unit of the Canadian Army in England, apparently having made a complete recovery from his last wounds.

B. R. Starr of Abbotsford, son of Mr. and Mrs. P. W. Starr, was a member of a large class of R.C.A.F. and R.A.F. pilots who graduated last week from No. 15 Service Flying Training School at Claresholm, Alberta. Starr was one of three of the students who had taken aeronautical courses prior to enlistment. The leading graduate and eight other members of the class were from the United States.

Recent recruits from the M-S-A Area to the R.C.A.F. include Lloyd Roswell White, son of Mr. and Mrs. H. L. White of Matsqui; and Robert Clifford Orrock of Mt. Lehman.

Cpl. B. C. Busby, RCAF, following his return to camp after spending a week's leave with his parents, was promoted to the rank of sergeant.

Sgt. W. J. Latter was at his home at Poplar for the weekend, returning to camp Sunday.

Pte. Alex Kerr of Vernon was in Abbotsford at the weekend to visit at his home.

IN MATSQUI COURT

Gordon H. Smith of Vancouver was fined \$10 in Matsqui police court this Wednesday morning on a charge of dangerous driving. F. W. Erickson of Mission was fined \$15 and costs for exceeding the 40-mile speed limit.

DISTRICT C.G.I.T. RALLY SATURDAY IN ABBOTSFORD

The district rally of the Canadian Girls in Training, under the direction of the Religious Education Department of the United Church, will be held in Trinity United church, Abbotsford, Saturday afternoon, Oct. 17, 2 to 8 p.m.

All girls 12 to 18 years in Aldergrove, Clayburn, Huntingdon, Kilgord, Mt. Lehman, North Poplar and Abbotsford are invited to attend whether belonging to a definite group or not.

The program will consist of discussions, reports, games, and sing songs followed by a basket supper at 6 o'clock to which the mothers and members of the official board are invited.

A candlelight vesper service in keeping with the rally theme, "Transforming Friendship," will close the rally.

Growers on Jap Farms Organize Protective Body

PROBLEMS LEFT BY JAP EVACUATION AIRED AT MEETING

An aftermath of the evacuation of the Japanese berry growers was in evidence at a meeting Friday of berry growers of the Fraser Valley and lower mainland, held in the Canadian Legion annex, Mission.

A new fruit growers' organization was formed to be known as the Berry Growers' Protective Society.

Officers are J. W. Little, Matsqui, president; R. Richardson, Mt. Lehman, first vice-president; S. Tereposki, Mission, second vice-president; W. A. Goodman, Hatzic Island, secretary-treasurer.

The executive includes C. N. Rogers, Mission; J. Larsen, Whonnock; L. W. Cumming, Mission; and G. Bouffard, Pitt Meadows.

The main object of the society is to protect the interests of the white growers who have taken over the berry lands of the evacuated Japanese. But it is also to care for the berry growers as a whole generally. It was planned to meet again on Friday, Oct. 16, at 1:30 p.m.

During the month of September "Miss Canada" and retail store sales in Abbotsford of War Savings Stamps totalled \$177.

††† FOR EVERY CANADIAN who sails the deep, for every airman who flashes through the skies, and for every other man in the fighting forces, the prayers of the nation rise like a fountain, night and day.

††† IN TIMES OF CRISIS our people stand steadfast. In daily devotions they renew the flame of faith and arm with unseen powers their warriors in the field.

††† OFTEN TIMES THEY discern the Unseen Hand. Witness the miracle of Dunkirk. Witness, too, in the darkest hour the emergence of great inspiring figures to steady the ranks of Democracy and fire its courage and confidence.

††† CHURCH BELLS are ringing throughout Canada calling men and women to worship and sacrifice in defence of our freedom, the sanctity of our homes and the future of our children.

By George Orr in The Continent

...I dipped in my pocket for the change; money was freer these days, anyway.

It startled me when the fellow tapped me on the shoulder, for I hadn't heard him approach. He was in uniform, lean, a bit grimy and with the scent of gunpowder about him.

I followed his gesture, and for the moment my eyes seemed to trick me.

Moving along the highway was a supply column, headed for the battle area. What amazed me was the nature of its burden. Two pleasure cars perched on a carrier; piled high on another truck were cases marked "Dress Uniforms, 1942 Design." Refrigerators, cabinet radios, easy chairs filled still other trucks.

My visitor spoke: "The boys had a little extra money to spare so they ordered them," he explained. "They want to look a bit smarter and have a bit of comfort."

It was too ridiculous. "But hang it all man," I said, "We're at war! There's only so much room in those trucks and they've got to have Bren guns, ammunition, tank parts, grenades, and those things that they really need to do the job! How do they think they're going to win if they keep trucking that stuff around?"

I discerned a twinkle in his eye as he replied, "I understand you people are still doing that sort of thing back home." He paused while I tried frantically to follow his logic. Then he continued.

"You burn gasoline in pleasure driving; to be fashionable, you buy clothes you don't need; you still buy new furniture, and I'm not sure that you couldn't use your food stocks a little more wisely. Like you said, you've only got so much productive capacity and you need as much of that as you can possibly spare to make the Bren guns, ammunition and tanks that you're so keen to have these boys use."

"How do you think you're going to win the war if you keep industries working overtime to

NOTHING MATTERS NOW BUT **VICTORY!**

As Hitler Sowed . . .

BRITISH INFORMATION Services, an agency of the British Government located in New York, U.S.A., has just published one of the most effective propaganda pamphlets we have yet seen emerge from the welter of such material that reaches an editor's desk in these times.

A cover in plain black and white design may not be considered attractive, but in this case it grips attention at once, particularly when one reaches the title—at the foot of the cover—"As Hitler Sowed . . ." Illustrated on the front cover is a terrifying scene, the bombing of a town, any town, in England, Scotland, Holland, Poland or Russia, by the Germans. Children flee from the inferno of burning, tumbling buildings and a mother with her baby huddle at the entrance to a shelter. Those lines speak for a heroic effort to combat the effect of such ruthless attacks on defenceless civilian life.

There is marked contrast, though still a black and white design, on the back cover where the title is completed: "...so shall Hitler reap!" It depicts a bombing inferno also but created among German factories; buildings blaze and great chimneys and derricks topple, a large Swastika, emblem of the double-cross of the Germans, burns to destruction in the sky.

There are only a few pages inside these covers but they are graphically illustrated and vividly written: "Ever since Hitler came to power, the Nazis thought they could subject the whole world to their will by force. . . Do you remember September 1939 . . . spring and summer 1940? . . . Warsaw, Rotterdam, London . . . It looked so very easy (to Hitler). Grimly Britain carried on. . . Goering was confident: 'We shall not expose the Ruhr to even one single bomb from enemy aircraft,' but Goering was wrong. . . In six months of 1941 the R.A.F. dropped 20,000 tons of bombs on Germany and occupied territory. The scale of Britain's striking power grows . . . two-ton bomber loads in 1940, six-ton load in 1941 and eight-ton loads in 1942 with many, many more planes taking part: Coventry vs. Lubeck, the 'Baedeker' raids of 225 tons vs. 1300 tons as against the reply of the R.A.F. in the same six nights. . . German factories and ports, Germany's striking bases against Russia—Rostock, Augsburg, Cologne (1130 bombers in a single night). And the scale of German raids dwindle as the R.A.F. attack grows! Giant R.A.F. bombers now and the greatest army of pilots the world has ever seen . . . there can be but one end—the complete disruption of the German war machine: as Hitler sowed, so shall Hitler reap!"

Let us in Canada buy Victory Bonds and do our part!

The Arbitration Award

WITH THIS ISSUE we commence to publish the third brief submitted the recent Board of Arbitration on M-S-A teachers' salaries to show that the salaries being paid were: 1) comparable to those paid in similar districts in the Fraser Valley, and 2) all that our citizens can afford to pay under existing methods of taxing for education. Previously we have reproduced in part, the submissions of Matsqui and Sumas Municipal Council representatives and of the Advisory Board representatives. The present brief is that of the Director of Education for the M-S-A Educational Administrative Area, Inspector A. S. Towell, the official trustee. If made available to us, we have assured the M-S-A Teachers' Association representatives that their brief will also be given similar prominence.

Most outstanding feature of the arbitration was that not one of the opposing groups, if they may be termed that under the circumstances, Matsqui, Sumas, the Advisory delegate or the Official Trustee, said even once that they did not wish to see better salaries paid to the teachers. In fact, they each made it clear they did not oppose better incomes for any group, teachers or farmers alike. They contended only that the salaries were comparable to those paid in similar districts and submitted evidence to show that the salary bill was all the citizens could afford.

It was amazing, therefore, that the Arbitration Board, headed as it was by Prof. Boving, a man conversant with the plight of agricultural districts, completely ignored these representations. The board baldly handed down a decision granting increases to the teachers and made no reference whatsoever to the contention of the taxpayers' representatives. Neither did the board recognize, as its members appeared to do during the hearing, that it is well aware the imposition of the burden of education on the land was both wrong in principle and impossible of continuance!

This is a typical agricultural district, its people groaning under the inequality of returns to the farmer compared with all other industries and professions as well as under the burden caused by the basis of educational taxation. It has the right to expect something better of Boards of Arbitration than a complete ignoring of its plight.

Constable Robert Chittenden

Details are still lacking regarding the death recently at Ottawa of Constable Robert Henry Chittenden, R.C.M.P., son of Capt. and Mrs. H. L. Chittenden of Bradner. The Ottawa Journal of Sept. 17 mentions he died after a brief illness and on Sept. 19 reported impressive funeral services had been held "when many members of the R.C.M.P. and a host of friends gathered to pay final tribute to the memory of a highly regarded member of the R.C.M.P. band."

The service was taken, The Journal reports, by Rev. H. Clugston of First United church who also officiated at the burial in Pinecrest cemetery. Former fellow musicians in the band acted as pallbearers and trumpeters of the R.C.M.P. sounded Last Post and Reveille at the graveside.

Among the many beautiful floral offerings received from friends and organizations were tributes from the officer commanding "N" Division, R.C.M.P.; R.C.M.P. Headquarters Social Athletic Club; the director of music and members of the police band, the commodore, officers and members of the Ottawa-New Edinburgh Canteen Club, also from George Cruickshank, M.P., and Mrs. Cruickshank, B.C.; Miss Christina Leach, Miss Adela Gordon, Miss Helen Collins, Ottawa. The family was represented by Mrs. Chittenden's brother, Mr. Arthur Ward, of London, and Mr. and Mrs. Howard Ward of Ottawa.

28 Years Old

Constable Chittenden was born in Strathroy, Ontario, May 10, 1914, and came to Bradner with the family when he was five years old and was educated at Bradner school. Always interested in music, he joined a local orchestra, Harmony Pals, and later in Vancouver continued orchestra work. In 1938 he joined the orchestra on the S.S. Prince Robert for the summer cruise season from Vancouver to Alaska. This led to his joining the "Mountie" band when it was formed after a nation-wide selection of musicians in 1938. This band became classed as one of the best in Canada and appeared

STORES TO CLOSE 9 P.M. SATURDAYS FROM OCTOBER 17

With the harvest season over and darkness coming early now, Abbotsford merchants will revert to winter schedule and close their stores at 9 p.m. Saturday nights commencing October 17.

As an added convenience to their farm customers, they have remained open during the past season until 10 p.m. Concern is also expressed in retail circles should a blackout occur on a Saturday night. It is the custom to leave so much provision shopping until Saturday night that it is feared many people would be caught short of supplies should the stores have to close at dusk some Saturday because of an air raid alarm.

Blood Bank Donor

A frequent donor to the Blood Bank, Const. Chittenden had donated blood six times when in January this year he was stricken with pneumonia and was very ill. When he was home in July to attend his sister's wedding, he did not appear fully recovered from the winter seige but again responded after his return to Ottawa to the Blood Bank appeal and gave another pint on Sept. 14. He was subsequently taken ill and his death occurred three days later.

In speaking of him, Inspector J. T. Brown, leader of the R.C.M.P. Band, is quoted by the Ottawa Journal as declaring "He was a credit to the uniform and to the band and his death will be keenly regretted."

Besides his parents he is survived by a brother Wilfred, Cultus Lake; three sisters, Mildred at home, Dorothy of Seattle and Mrs. C. Allan, Vancouver.

With intensified speed Canada goes full-out on the war.

CANADA'S WAR EFFORT

A weekly review of developments on the Home Front.

Military honors accorded 178 Canadian soldiers for their exploits at Dieppe, including first award of the Victoria Cross to a Canadian in this war to Lieut.-Col. Charles Cecil Ingersoll Merritt of Vancouver.

Production of beverages by Canadian distilleries to be halted November 1 and entire output diverted to war purposes, Munitions and Supply Department announces.

Prime Minister King in radio address to Canadians, "civilians on the home front," to support with all their power Canada's fighting men and women wherever they serve.

Canada to ship 675,000,000 pounds of bacon and pork products to Britain during the year at a price 10 per cent higher than the price paid under the expiring 600,000,000 pound contract, Agricultural Minister Gardiner announces.

Hon. R. J. Manion, Director of Civil Air Raid Precautions says he will not be surprised if some Canadian cities—inland as well as on the coast—are not attacked from the air before the war ends.

Announcement of Conservative national convention to be held at Winnipeg, December 9, 10 and 11.

Major General Leo R. LaFleche, Ernest Bertrand, M.P. and Alphonse Fournier, M.P., sworn in as Ministers of War Services, Fisheries and Public Works respectively. Hon. J. E. Michaud, former Minister of Fisheries, becomes Minister of Transport; Hon. J. Thorson, former Minister of War Services, appointed President of the Exchequer Court of Canada; Thomas Vien, M.P. appointed to the Senate.

Communist party secretary Tim Buck and his comrades "conditionally" released from custody.

Wartime Prices and Trade Board announces upward revision of wholesale ceiling prices of beef and stricter control of retail prices which also will increase correspondingly.

"Bob" Sutton

THE FRASER VALLEY has lost "Bob" Sutton forever. Bob Sutton—for many years the lone district agriculturist of this great and fertile Fraser Valley. Bob Sutton—whose seemingly tireless energy and friendly advice was ever at the disposal of dairyman and farmer. Sutton—who inaugurated the Warble Fly campaign to save Fraser Valley dairymen many thousands of wasting dollars and who did so many other things to aid increased production and reduce unprofitable effort. Sutton—who toiled unceasingly to guide our junior farmers, the boys and girls with their calf clubs and garden clubs.

Farmers' Institutes and Boards of Trade urged the Department of Agriculture to provide Sutton with help but the department was deaf or the promptings were not forceful enough. The help never came and Sutton's health broke. He transferred to an Interior post but apparently the harm was done. Sutton died a few days ago at Kamloops.

We cannot help but think that the Fraser Valley failed Bob Sutton; that the Department of Agriculture was unappreciative of its unselfish worker. He has left a monument in scores of friendships in the Fraser Valley, hundreds he helped, young people he encouraged. There is perhaps nothing that we can do now to repay that debt unless it is to demand that the assistance he did not receive be given his successor of these past two years, G. L. Landon, who also is working unceasingly in the same footpaths "Bob" trod in the Fraser Valley. Let us not forget.

Better Yields Follow When Insects Killed

John Teir, B.C.E.R. Agricultural Representative, Abbotsford

At this season of the year, one's thoughts turn to next year and the formation of plans for improving the gardens. When any improvement is under consideration, there naturally comes into the mind those factors which, this year, interfered with the production of perfect results and probably the first thought will include the many different insects which were often a trial.

It should be realized that much can be done in the autumn to reduce the insect population of the following year. There are numerous ways of doing this, but perhaps the destruction of plant refuse, preferably by burning, is one of the most productive of results. Many of the most common insects pass the winter underneath debris in the fields and gardens. The tarnished plant bug is among the number. The destruction of refuse also kills those insects that pass the winter as pupae inside the stems or in cocoons attached to the leaves and stalks. Insect eggs laid on different parts of the plant will also be destroyed by this useful practice. Many species of cutworms hibernate in the egg state, the eggs being deposited on standing grass and weeds. Pulling and burning such will be found very helpful.

Spading Kills Bugs

Spading over the ground in autumn tends to bring to the surface many garden insects which will be killed by the temperature changes of the autumn and spring. Such spading also puts the land in better tilth, which in turn, produces stronger plants more resistant to insect infestations.

Weeds and grasses bordering the garden should be burned over where dry, as the eggs of the most destructive borers are to be found adhering to such plants.

The gathering and burning of egg masses, cocoons and webs found on shrubbery, fences, etc., is strongly recommended.

FAIR DISTRIBUTION OF NEEDS SOUGHT

Rationing of all new farm machinery and equipment has been announced by the Wartime Prices and Trade Board, effective as from last Monday.

A board statement said the order is designed to obtain fair distribution of all types of farm machinery and equipment, manufacture of which has been drastically cut in order to divert the steel to war industries.

It outlined this procedure to be followed by a farmer to prove his need for new equipment. He must file a statement showing the number of acres in crop on his farm, the number in summer fallow, the number of horses, cattle and sheep which he owns and a full description of similar usable equipment which he now has.

Trade-in Regulation

If a trade-in is involved, the farmer must give a full description of the old machine and state whether or not it can be repaired. If it can be put back into service again, he will be asked for the reason he is trading it in on new equipment. Complete reasons will be required also if a farmer is changing over from machinery suitable for horses, mules or oxen to power equipment.

ADVANCE MILK PRICES IN VERNON; \$2.90 TO FARMERS

That retail prices of milk are to be advanced in Vernon from 11 cents to 12½ cents per quart pints from 6 to 7 cents, is contained in advices received by the Royal Dairy, and W. A. Popowich, president, Vernon Milk Producers' Association. John Gibb, prices and supply representative, Vancouver, advised F. Grahame of the Royal Dairy to this effect. Mr. Popowich receiving word from Wartime Prices and Trade Board, Ottawa. It is understood that the price to the producer will be \$2.90 per 100 pounds f.o.b. producer's farm. Wholesale price of milk will be 42 cents per gallon.

A dollar bill is worth 100 cents and no more. Each dollar bill in a Victory Bond will return you MORE than a dollar and, meantime, will help defeat the foe.

and shrubs, as well as fruit trees of all kinds should be carefully examined for the presence of dead twigs, branches and canes. These should be cut off and burned to destroy the insects hibernating within them.

Such practices will be found most beneficial not only in reducing the number of insects present, but in promoting the general well-being of the garden.

VICTORY LOAN DRIVE FOR \$750,000,000 OPENS MONDAY

We will push on to Victory!

WHEN FRANCE FELL, and Britain stood with her back to the wall, one strong jaw jutted out, and the grip of one clenched fist shook the Empire.

It was Churchill hurling Britain's decision across the channel. *Quit? ... Never! ... Fight? ... Yes, through the hell of adversity till victory is won.*

Today Canadians face challenge after challenge with the same unconquerable spirit. Today we are asked to do without so that our fighting men will have everything they need—when they smash straight into the heart of enemy defences.

Canada's ringing answer to this latest challenge will be:

"Yes, we'll fight with the last ounce of our strength, and the last dollar we can earn and save."

Canada's Victory Loan drive opens Monday. Canada's Victory Loan representative will ask for *your* answer, soon.

Will it be "No, I do not choose to do my part"?

Or will it be "Yes! Yes!! Yes!!! I will buy Victory Bonds! I will lend all my support to help make victory sure."

You will be laying up for yourself the best of all investments—VICTORY BONDS are backed by all the resources of the Dominion of Canada; they yield a fair rate of interest; you can borrow against them; and they are readily saleable when you need the cash.

HOW TO BUY

Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters! Or you can authorize your employer to start a regular payroll-savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1000 and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.

WEAR YOUR COMMANDO DAGGER

It is a symbol indicating that you have bought the new Victory Bonds.

Bomber Stations of Canada's Air Heroes Overseas Inspected by Weekly Newspaper Editors

This is one of a series written by Walter R. Legge, in collaboration with C. V. Charters, representatives of the Canadian Weekly Newspapers Association on a trip to Britain.

After a week with various activities of the Canadian Army in England, we started to see what the Royal Canadian Air Force is doing.

On Saturday, September 5, we were received by Air Marshal H. E. Edwards, air officer commanding in chief, R.C.A.F. overseas, at an informal press conference at which he freely answered all the questions put to him by the Canadian editors.

The air marshal made it clear that he fully favors Canadianization of the R.C.A.F. and that those who are in opposition to do this do not fully understand what is meant. Canadianization of the R.C.A.F. overseas does not mean that it will cease to co-operate with the R.A.F., any more than some famous regiments would operate independently of the rest of the army. "The very root of high morale finds itself in identity," declared the Air Marshal.

'Force is Superb'

He expressed himself as well satisfied with the standard and training of the men coming over from Canada, and summed it up in the words, "Our air force is superb." At another time, he said, "this war will be won in the air. It is the only way it can be won. Not without the Army and the Navy, but definitely in the air."

After such an interview we were more anxious than ever to study the work of the R.C.A.F. at first hand. The first squadron which we visited was the one commanded by Squadron Leader Keith Hodson, D.F.C., of London, Ontario. One of the interesting things to be seen at this station is a remarkably fine scrap book containing photos and clippings of all matters which have taken place at the station. It is an excellent idea and very well carried out.

At this station we chatted with Flight Sgt. C. H. J. Fisher of Wadena, Sask., who spoke of the pleasure he gets from his home town weekly which he has been receiving all through the two years he has been overseas. Another member of this station with whom we conversed was Flight Sgt. J. W. Cantelon of Ridgetown, Ontario. A fine show of formation flying and manoeuvres was witnessed by the editors

Britain's Effort Rstounds the World

Those who think they are beginning to feel the pinch of war in Canada may well read what Britain has done. The following is a brief summary of British war story:

WEAPONS: Plane production in Britain now equals Germany's. Forty thousand big guns a year are produced with 25 million rounds of ammunition; millions of small arms with two billion rounds of ammunition. Also ships, locomotives, tanks and a thousand types of military supplies.

ENLISTMENT: Two out of every three persons between 14 and 65 work full-time in armed forces, civilian defence or war industry.

LUXURIES: No luxuries produced; civilian necessities severely curtailed.

FOOD: Home production doubled; six million more acres under the plow since war began.

CLOTHING: So strictly rationed that one woman buying two pairs of stockings a month and one apron a year would have no coupons left for other clothing. Clothing rationing has released 300 thousand tons of shipping a year and 750 thousand workers for fighting or war industry.

TRAINING: Every fit man and woman trained for air raids or to repel invasion. One million five hundred thousand men and women in Civilian Defense, four million five hundred thousand in the Fire Guard, two million in the Home Guard.

WAR SAVINGS: Over 15 billions raised, average of \$320 a head.

DEFENSE COST: For every dollar spent on defense in 1938-39, Britain now spending over \$16. In June, 1942, Britain was spending 48 million dollars a day on the war, and had spent more than 34 billions since September 1939. Sixty per cent of national income goes into the war.

NO PROFIT: No one in Britain is making a profit out of the war. Excess profits are taxed 100 per cent. Income tax 50 per cent.

R.A.F.: In the Battle of Britain, the victorious R.A.F. destroyed 2,375 German aircraft in less than three months. In the year following the fall of France, 1,500 raids over Germany and occupied Europe were made. In daylight raids in the first half of 1942, the R.A.F. destroyed enough Axis planes to make up 15 complete squadrons.

LIBYA: Force of 40,000 men defeated 260,000 Italians in Libya and over 360,000 in Abyssinia, taking 130,000 prisoners.

CONVOY: Out of thousands of ships convoyed by the Royal Navy, less than one out of every 200 has been lost. Besides punishment inflicted on the enemy naval forces, five million 250 thousand tons of enemy merchant shipping has been sunk.

AID TO RUSSIA: By June, 1942, practically all aid promised to Russia under British Lend Lease had been sent. Large convoys have fought their way through by Arctic routes, against storms, icebergs, U-boats, aircraft and destroyers.

See Bombers Off

On Monday, going to a more distant station, the visiting editors were lucky enough to be able to see the departure and return of a bomber squadron which formed part of a raid on Duisburg. The same evening we witnessed a German raid on a neighboring town. The whole evening was such a unique experience that it will be the subject of a separate article.

Among those whom we met at the station were Flight Sgt. Cliff Guest of Barrie and Ottawa, who immediately asked after Mr. and Mrs. J. A. MacLaren of the Barrie Examiner, and Pilot Officer Arthur Morledge, whose father is a member of the staff of the Lloydminster Times. There are a number of Montreals attached to this station. While there, a number of Halifax and Wellington bombers were inspected by the editors.

The next day we moved on to another station where Lancaster bombers are located, and were given an opportunity to climb on board one of them. Some of the largest bombs being used against Germany were seen, and the editors also saw a bomber being loaded with bombs and being serviced for a raid that night.

At this station we talked with Flight Sgt. Reynold Quinn of Bromptonville, who has two brothers in the R.C.A.F., Flight Sgt. Harold Quinn, who has just returned to Canada as an in-

LAW HAS TEETH

Enforcement administration of the Wartime Prices and Trade Board reports that for the week of Sept. 28 to Oct. 3, inclusive, 83 prosecutions were instituted across Canada. Seventy-one were for alleged contraventions of the board's regulations and 12 were under gasoline rationing regulations of the Oil Controller, Department of Munitions and Supply. Fines ranged from \$1 to \$400.

structor, and P.O. Walter Quinn attached to another station in England. Having eaten several meals in the messes of these stations, the editors agreed that the food is excellent and plentiful. It is served to the boys by girls of the W.A.A.F. These messes have large, bright rooms, equipped with libraries, radios, gramophones, and games, and there is a very pleasant and cheerful atmosphere in all of them. One remark that we heard was that the meals on the stations are very much better than the meals served on most of the boats bringing the boys over. In fact it was suggested that something should be done to improve the meals on the boats.

English Custom

Afternoon tea and late dinners, according to the English custom, seem to be the rule at all these stations.

The following afternoon, the editors visited a night fighter station of another aerodrome.

Assiniboine Sailor Buried At Sea

When H.M.C.S. Assiniboine fought her successful action against a German submarine, only Canadian casualty was Ordinary Seaman Kenneth Watson of Revelstoke, B.C. He was buried at sea and this picture shows the impressive ceremony as his mates paid their last respects.

Regulations Governing Milk Sale

Following are the regulations governing the sales of milk and cream and the purchasing of milk in the Greater Vancouver and Fraser Valley area under War-time Prices and Trade Board Order No. 172. These became effective on Sept. 1:

In this area, the retail price of milk is: Standard milk, 3.5 per cent butterfat, 11c a quart; 7c a pint; special milk, 4.5 per cent butterfat, 13c a quart, 8c a pint. The retail price of table cream, with 18 per cent b.f. is: half pint, 15c; pint, 30c; quart, 35c.

All these retail prices are both maximum and minimum. The producer or the distributor can not sell to the consumer at more than or less than, the fixed price.

The price to the producer of milk, who ships his milk to the distributor, is fixed by the order at the minimum of \$2.10 per 100 pounds with a butterfat content of 3.5 per cent. This is the price delivered to the distributor's plant.

For each one-tenth of one per cent above 3.5 per cent, the distributor must pay the producer an additional 5c per 100 pounds of milk. For each one-tenth of one per cent less than 3.5 per cent, the distributor will pay the producer 5c per 100 pounds less than \$2.10.

For example: 3.5 per cent \$2.10 per 100 lbs. minimum; 3.6 per cent, \$2.15; 3.4 per cent, \$2.05.

DAY & NIGHT SERVICE

Shoots 1 1/2 Miles of Wire in 4 Minutes

Why can't we supply telephone service to everyone who wants it these days? Here's one reason why. A machine gun shoots the equivalent of 1 1/2 miles of copper wire in four minutes. Modern war requires huge quantities of copper and other materials which are used in the telephone business. There isn't enough to go around, and as the armed forces come first, our business must forego adding materially to its lines and equipment until after the war.

BERKI - EGRI

One of the largest Hungarian weddings to be held in this district, took place Sunday, Oct. 4, in Cooke's Presbyterian Church in Chilliwack when Jan, only daughter of Mr. and Mrs. Joseph Egri of Sumas Prairie, became the bride of Spr. Julius Berki of Victoria, only son of Mr. and Mrs. J. Berki of Calgary, Alta. Rev. H. G. Funston officiated.

Given in marriage, according to custom, by her best man, Mr. Louis Kish, the bride wore a beautiful lace trimmed white satin gown with a floor-length veil held in place by a coronet of tulle and orange blossoms. Her flowers were pink roses and white heather.

Miss Viola Csuti, maid of honor, wore a lovely net dress of forget-me-not blue. The bridesmaids were Miss Julia Csati, Miss Irene Tereposki and Miss Julia Sviatke. The former wore a floor-length blue net, and the latter two were dressed alike in floor-length gowns of pink sheer. They all carried bouquets of white mums.

Betty Kish and Ida Keis, each dressed in white floor-length sheer dresses, and Ilona Risko, in a long yellow taffeta dress, were flowergirls. The latter was attended by Frankie Keis. Each flower girl carried a colonial bouquet.

The groom was attended by J. Renner of Chilliwack. Ushers were Steve Papp of Vancouver, Gnr. Barney Csati of Nanaimo, Julius Keis of Sumas Prairie, Alex. Molnar and Michael Matty, both of Huntingdon.

The church was beautifully decorated with dahlias and asters. A procession of 62 cars followed the wedding party to the church.

After the ceremony, approximately 300 guests sat down to a wedding supper served in the Hungarian hall at Abbotsford. The bride's table was centred with a lovely three-tier wedding cake.

The customary Hungarian bride's dance was held at midnight, after which the bride changed to a lovely evening dress of forget-me-not blue crepe.

The bride and groom were the recipients of a large number of beautiful gifts.

Following the reception, Mr. and Mrs. Berki left for a wedding trip to Victoria.

JUNIOR RED CROSS
RAISES OVER \$5

A hot dog sale sponsored by the Junior Red Cross of Division Two of Matsqui Superior school raised a gross amount of \$13.02. After expenses were deducted, a profit of \$5.88 was left. The sale was well patronized and the hot dogs were quickly sold out.

ENGAGEMENT

The engagement is announced of Olive Millicent, daughter of Mrs. M. Wilson and the late E. Wilson, to Mr. Michael Praisley, eldest son of Mr. and Mrs. J. Prasloski of Aldergrove. The wedding will take place in Port Alberni in St. Albany church, Oct. 24, at 8 p.m.

These Cheese Dishes
Provide Appetising
Meat Substitutes

Canada has practically completed her shipments of 125,000-000 pounds of cheese to Great Britain, and there is now plenty of cheese available for Canadians. This would be good news at any time, but is especially welcome now, when a temporary meat shortage exists. Cheese, being a concentrated protein food, is ideal for lunch box sandwiches. Housewives who pack daily lunch boxes for school children or workers will appreciate these recipes for cheese sandwich spreads, which were tested in the experimental kitchens of the Consumer Section of the Department of Agriculture. The spreads are delicious, nutritious and time saving as they may be made in quantity and stored in the refrigerator for some time.

Spanish Sandwiches

- 2 tablespoons chopped onion
- 1 tablespoon butter
- 1 cup thick tomato pulp
- 1 egg, well beaten
- 1 cup grated cheese
- 1/2 teaspoon salt
- Dash of paprika.

Saute the onion in butter 5 minutes; add tomato pulp, cheese, salt and paprika and cook 5 minutes longer or until cheese is melted. Stir small amount into the egg; return to the hot mixture, stir and cook 2 minutes longer. May be served hot on toasted bread or stored for future use.

Cheese Sandwich Spread

- 1 hard-cooked egg, chopped
- 1/2 lb. cheese grated
- 2 tablespoons minced onion
- Dash of cayenne pepper
- 1/4 teaspoon salt
- 1 tablespoon butter

RE-ARRANGING FURNITURE KEEPS WAR PLANTS ROLLING

Everything these days emphasizes the word "sharing." With power shortage difficulties in sections of Ontario and Quebec bringing it to the fore, Canadians in these sections of the country can and must cut down on their power consumption. It should be reduced by 20 per cent. Above are two drawings of the same room, showing an example of how power consumption may be reduced without causing eyestrain. Some lamps have been removed, others reduced and other lights are shared by two chairs or chair and desk.

ERICKSON - FISKE

Announcement is made of the wedding of Helen Florence, fourth daughter of Mr. H. L. Fiske of Deroche, formerly of Hillsdown, Alta., and the late Mrs. Fiske, to Mr. Allan Erickson, only son of Mrs. E. Erickson and the late Mr. Erickson of Matsqui. The wedding took place at the Baptist church in Vancouver on Sept. 26 with Rev. Paul officiating.

The bride, who was given in marriage by her father, wore a blue suit with matching hat and accessories and a corsage of pink carnations. The groom's mother was matron of honor.

Following the ceremony, a large reception was held at the home of the groom's sister, Mrs. H. Cürle, in Vancouver. The bride and groom cut a beautiful three-tier wedding cake.

The young couple will make their home in Vancouver.

- 1 tablespoon granulated sugar
- 1 tablespoon flour
- 2 tablespoons vinegar
- 1/2 cup top milk or evaporated milk.

Add the grated cheese, onion and salt to the chopped egg. Melt the butter in a double boiler; add the sugar and flour, blending well. Add the vinegar, milk and pepper while stirring and cook over hot water until thickened. Combine with the cheese mixture and store until needed.

ABERDEEN

RED CROSS SHIPMENT; NEXT MEETING DATE

The monthly meeting of the Red Cross unit will be held in the hall on Wednesday, Oct. 21, at 2:15 p.m.

Mr. and Mrs. Hanson, who have been up north for several months, have returned to their home on the Lehman road.

Mrs. B. Gladwin paid a visit recently to Pemberton where she was the guest of her daughter and son-in-law, Mr. and Mrs. Roy Fowler.

The following articles for the Red Cross were turned in to M-S-A headquarters recently: 1 turtle-neck sweater, 1 tuck-in, 3 pairs army socks, 12 tri-slugs, 6 pneumonia jackets.

LAUGHLIN MacKINNON

A pioneer resident of the Mt. Lehman district, Laughlin McKinnon, passed away in the M-S-A General Hospital on Friday. He was born in Cape Breton, Nova Scotia, and was in his 73rd year. Besides his wife at Mt. Lehman, he is survived by three daughters, Mrs. E. J. Case, and Mrs. D. Newhaven, both of Vancouver; and Mrs. G. McRae of Alberni; and one son, Malcolm of Los Angeles; also four brothers and three sisters of Cape Breton.

Funeral services were conducted on Sunday from the Dunn Memorial Presbyterian church at Mt. Lehman with Rev. J. R. Wilson officiating. Interment took in the Aberdeen cemetery. Pallbearers were J. E. McConnell, J. Pope, P. Edge, D. Nicholson, M. McAskill and R. Hanna. Henderson's funeral home had charge of arrangements.

SOCIAL EVENING HONORS TWO MEN LEAVING STRAITON

A farewell social evening was held in the Straiton school house Friday evening for George Straiton, who is leaving to attend the Canadian Nazarene College, Red Deer, Alberta, and for Wilfred Corbett, who expects to leave shortly for the R.C.A.F. Rev. A. J. Loughton arranged the entertainment in the form of games, competitions and singing and a large crowd enjoyed the proceedings. The women of the community, convened by Mrs. Dave Mathers, provided a tasty lunch. Visitors from Vancouver and Abbotsford were present.

Pacific Coast Militia Rangers 88th M-S-A Company

Form Detachment

At a meeting held at Whatcom road hall on Sunday, No. 3 Detachment was organized. The meeting opened with a brief introduction by Capt. T. V. Thompson and was followed by an address by Lt.-Col. Coote covering the initial stages of a similar movement in Britain two years ago.

Col. Coote made his address very informal and chatty, describing his experience in helping to organize the home guard "over there," with the gratifying result that every man in Britain today can jump into a uniform and appear in the street equipped with rifle, ammunition and grenades, etc., within the space of very few minutes. That, he said, is what we expect to have here on the coast eventually. No. 3 Detachment will have its first parade Wednesday night in the Whatcom road hall.

Victory Loan Sunday

On Sunday, Oct. 18, the PSMR will co-operate with the military by taking part in the big parade to start the Victory Loan drive in Vancouver. A number of the Rangers will be sent from each company for this purpose. On the same day a detachment from this company will parade to the auditorium to attend the Victory Loan service for this district.

Recruits Needed

Recruits are still needed for No. 5 Detachment, Abbotsford. Those interested in this movement can obtain information at the Company Headquarters, Canadian Legion.

LEGION NOTES

Branch No. 15
(Contributed)

Overseas Parcels

At the last general meeting, Thursday, Oct. 8, the usual Legion activities were discussed. Com. Aitken, chairman of the Overseas Committee, reported he had been notified that a small shipment of comforts from this branch to the boys overseas had been lost due to enemy action. He stated that we have been very fortunate until this incident in getting the many shipments delivered to the boys. His committee is now busy making up the next shipment of comforts which it is hoped will arrive by Christmas.

It would be appreciated if relatives of boys serving overseas would send us the correct addresses, as it is felt that there is a possibility that our roll may not be complete in this respect. It is our endeavor to be of service to these boys so far away from home.

"Fall In" Sunday

Sunday, Oct. 18, veterans are requested to be on parade to take part in the ceremony for the Victory Loan drive at the auditorium. "Fall in" at 2 p.m. outside Legion. Dress: forage caps and decorations.
